MEDIA RELEASE

13 May 2022

For Immediate Release

Voter Registration Schedule for Australia finalized.

The Fijian Elections Office in conjunction with the Fiji High Commission in Australia has finalized the venues for the voter registration teams for a scheduled visit to Melbourne, Brisbane and Sydney.

Residents in Australia can contact the Fiji High Commission for any further information in relation to teams visiting or requests for other places to be visited. The FEO will work with the High Commission in Australia to deliver voter registration services to Fijians living in Australia.

Due to the changes in the entry requirements, the team for New Zealand will be travelling once the New Zealand travel requirements are reflected as per the latest announcements. Therefore, the team to New Zealand will not be travelling on the 14th of May but at a later date as advised. The FEO is currently working on arrangements for staff to travel to the US.

The schedule and venues for Australia is attached to this release.
